DOG POLICY

Date of visit

Dear Visitor,

We welcome ONE well-behaved and friendly dog.

Due to **Health & Safety** we require that:-

The dog has been under your ownership and responsibility **for at least six months** prior to your stay.

The dog is not younger than **six months old**.

Regardless of whether your dog is in the Nest itself or in the garden that you as the owner are responsible for the immediate clean up and repairs of accidental damage caused by your dog.

You make sure that the dog is clean before bringing it into the Nest.

The dog **may not** be washed in the shower or kitchen sink.

The dog **is not allowed** on any furniture and **may not sleep in or on** your bed.

The dog is always the responsibility of you as the owner and that you are liable for any damage or upset caused by the dog.

We reserve the absolute right to terminate a stay without notice if your dog causes damage to the property, ourselves, children, visiting children, our animals or any other visitors at Swallows' Nest and Devonshire House.

No recompense will be given in such cases.

Please note that our garden is fully enclosed but we do have a wandering pet tortoise who does not appreciate being pawed at by enthusiastic four-legged friends!

We thank you for your co-operation and very much hope that you will have a happy and enjoyable stay with your dog at Swallows' Nest.

I agree to abide by this policy.
